Product Description

Cassette 600

Looking deceptively real, an Optimyst fire will captivate you from the moment you see it. The fully 3-dimensional effect creates authentic looking 'flames' and 'smoke' – an illusion so effective that it is difficult to distinguish from the real thing.

Built-in Optimyst Electric Fire

- ☑ Perfect for bespoke installations
- ☑ Optimyst flame technology
- ☑ Flame effect only, no heat
- ☑ Variable flame intensity
- ☑ Remote and manual controls
- ☑ Quick-fit IEC (kettle) connection
