Product Description

The Chadwick is an elegant freestanding electric suite, with no assembly required, this suite is the perfect choice to create a instant fireplace in your home.

Simply unpack, place against a flat wall, plug in and enjoy.

Using the latest in flame technology, the unique Dimplex Optiflame effect has a choice of three colour themes, three variable flame brightness settings and three flame speed settings, the flame effect can also be used with or without the heater.

All the features can be controlled from the easy to use remote control or on the manual control digital display on the suite.
