Product Description

Trowpoint
Electric Stove
Introducing the Trowpoint Electric Stove, a versatile and stylish heating solution in a sleek Matt Black finish. Featuring a durable steel body with a polished chrome handle, this stove combines modern design with a classic charm. The realistic glowing log bed and adjustable flame brightness create a cozy ambiance, while its 0.9kW and 1.8kW heat output options ensure efficient warmth. Lightweight and easy to install, the Trowpoint comes fully assembled for hassle-free setup. With plug-and-play convenience, it delivers instant heat and can be used as a stand-alone piece or paired with an inglenook surround. Plus, its concealed controls, two heat settings, and 1-year warranty make it a practical and reliable choice for any home.
