

**Gazco eReflex New Generation 55RW**

Gazco

**RRP £1149 (Contact us for our discounted price)**

## Product Description

The elegant Gazco eReflex 55RW electric fire combines advanced Chromalight® LED technology with ease of installation in a compact portrait format, whether installed as a multi-sided, corner, or single-sided centrepiece. Designed to make the perfect focal point, the eReflex 55RW is brought to life by authentic fuel effects, mesmerising flame visuals and a pulsing realistic glowing ember bed. For a magnificent traditional fireplace aesthetic, single-sided eReflex 55RW's can also be paired with one of Gazco's beautiful stone mantels and optional hearths. Choose from any one of six period-influenced designs to create a stunning centrepiece in your home.

These beautiful electric fires come complete with two control methods for adjusting the heat output and array of immersive lighting options from the comfort of your sofa. Using Gazco's innovative Thermostatic Eco Remote Control or powerful app available on an iOS or Android smart device, it's never been easier to find your perfect ambience, with or without the heat.
