Product Description

The Gazco Marlborough2 medium electric stove combines Art Deco styling with country influences for an eye-catching electric stove collection. Two sizes ensure these electric stoves can fit a variety of settings, and each needs only a 13amp plug socket to bring instant ambience to your home.

Marlborough2 electric stoves feature our cutting edge Chromalight® LED systems along with a host of fuel effect choices to allow you to customise the visuals to suit your mood.

An advanced Eco handset gives you complete remote control over your electric stove, letting you adjust heat and visual settings without getting up.
